

# HIGH TEAS & HOLIDAYS

## Volunteers sought for an exciting new art and heritage project in development!

High Teas and holidays is an artist-led project celebrating the stories of holiday-makers and guest houses owners. The stories will inspire new work for an art installation and touring exhibition.

---

**Join us and help to celebrate Morecambe** (and the West End in-particular) in a new, innovative and creative way. **Be inspired** by the people who helped make Morecambe a 'home from home' for thousands of holidaymakers from the turn of the century onwards. **Learn about and celebrate the lives of enterprising women and families** who ran guest houses, lodging houses and cafes in your area from the turn of the century until the 1970's and the holiday makers who resided and returned here year after year.

---

**Come and enjoy stepping into the past** with your neighbours and **help gather the history of the people who lived, worked and played in your homes and streets.** If you would like to help **record people's stories** and histories, or can **offer your creative skills or time**, then High Teas and Holidays would love to hear from you!
